

THE HOMEWORK ADVISORS

Menu of Services

- **Assessment and Individualized Treatment Plan Package**

\$500

Your Homework Advisor will:

- Provide a comprehensive, *in-home* evaluation of your child's homework needs and how you and your child can best support successful homework completion.
- Intake paperwork will be reviewed prior to meeting.
- Areas of assessment include the homework environment, academic & emotional strengths, emotional, behavioral, and learning barriers, & family involvement.
- Preliminary support strategies will be introduced to both parents and child.
- Your Homework Advisor will develop your individualized Homework Treatment Plan, which will give you written strategies and recommendations to help you and your child manage homework time more peacefully and successfully.

- **Support Package**

\$1,250, 5 Hours

This time is used to put your Individualized Homework Plan into action and may include:

- Review of psychoeducational/neuropsychological evaluations, 504 plans, or Individual Education Plans (IEP).
- In-home family meeting to review goals and recommendations.
- In-home, individual meetings with your child to introduce, implement, and practice tailored homework strategies.
- Parent consultation meetings in home or The Homework Advisor office.
- Collaboration with other providers (i.e., schools, therapists, etc.) & Homework Advisors.
- Phone, email, text, video support/consultation for you and/or your child.
- Case management/Resource development.

- **Additional Support in excess of 5 hour Support Package**

\$250 an hour, in-home or office. Not prorated.

\$250 an hour, prorated as needed for phone/texting support in 15 minute increments.

- **For families living a greater distance from your Homework Advisor's catchment area, a \$50 travel expense may be incurred.**
